Transportation researchers, professionals & city-builders release open letter to the City

On Sunday, February 5, prominent civic leaders of the transit engineering, urban planning and city-building community will speak out about public transit in Toronto.

Join Eric J. Miller, Director - University of Toronto Cities Centre, Paul Bedford, former Chief Planner - City of Toronto and internationally acclaimed planner Ken Greenberg, Principal - Greenberg Consultants as they release an open letter to Toronto City Councillors regarding the future of mass public transportation in Toronto.

Date: Sunday, February 5

Time: 11am

Location: City Hall, Committee Room 2

More information will be available on Sunday at 11am.
